

Full-Time Position Available
SCIENTIST/SENIOR SCIENTIST
at Rilas Technologies, Inc.

Please send your CV and cover letter to lvarady@rilastech.com

JOB DESCRIPTION

Type: Full-time/2nd Shift

Experience: MS/Ph.D. 0 to 5 years

Function: Purification Scientist

Reports to: President

Salary: According to experience

Posted: February 2019

Rilas Technologies, Inc. is a contract research organization (CRO) founded to provide innovative and cost-effective solutions for organic chemists facing significant analytical and purification challenges.

The Scientist/Senior Scientist will participate in the Company's insourcing service working in one of our clients' purification group in Cambridge. The ideal candidate has demonstrated an ability to work efficiently and independently, have small molecule purification experience, and is able and willing to work second shift (2pm-10pm).

Responsibilities include:

- Analysis and purification of small molecules in a range from 10 mg to multiple grams
- Interpreting data and adhering to strict reporting guidelines
- Accurate reporting of scientific results
- Use of a range of analytical and preparative instrumentations and techniques including supercritical fluid chromatography and high-performance liquid chromatography
- Ability to manage several methods at once requiring a high degree of organization and productivity

This key position requires a self-starter who enjoys creative problem solving with excellent written and oral presentation skills and has an entrepreneurial mindset with attention to detail that will maintain and improve the quality of Rilas' services.

Education Requirements: MS or Ph.D. in the field of chemistry/chemical engineering

Experience: MS with 3 to 5 years of experience or Ph.D. with 0 to 3 years of experience

Other Requirements: The candidate must also be familiar with standard MS Office software and typical HPLC, MS data systems. Experience with supercritical fluid chromatography (SFC) is a plus.

Full-Time Position Benefits at Rilas Technologies, Inc:

Health and Dental Insurance
401(k) Plan
Long and Short Term Disability
Life and AD&D Insurance

Rilas Technologies, Inc. is an Equal Opportunity employer and will evaluate all qualified applicants without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, veteran status, and other protected characteristics.
